**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Sonic.net is the most clear and best provider I have had. I say NO to price hikes! Being a senior over 65 and basically living on social security, I have limited funds yet still need to be connected to the world, my children and friends.

Sonic.net is critical to my home and business, as I am a sole proprietor and also CEO of a small 501c3 nonprofit organization.

My local provider is absolutely necessary!
